Forecast For The United Kingdom
Issued by Met Office Exeter
at 1600 on Monday 02 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Heavy showers in south tonight; sunshine and scattered showers tomorrow.

This Evening and Tonight:
Heavy showers and thunderstorms across southern areas, leading to localised flooding, becoming isolated across south-east England overnight. Elsewhere, mostly dry with clear spells and a few mist or fog patches later.

Tuesday:
Another day of sunny spells and scattered showers, a few heavy ones in the south-east at first and elsewhere during the afternoon. Feeling warm in the sunshine and light winds.

Outlook for Wednesday to Friday:
Continuing unsettled and often rather cool with further showers and some longer spells of rain, some of which are likely to be heavy, perhaps thundery.
